## GENERAL INFORMATION

### PURPOSE

In a coordinated effort with the DPS, the City of Austin, UT Athletics, and the Texas Longhorn Foundation, the TFC strives to provide a safe and enjoyable environment at all tailgating events. The TFC Football Tailgate Policies help ensure a safe and enjoyable environment for the fans, students, and visitors attending tailgating events.

### AUTHORITY

The use of state facilities for special events and football tailgating is governed by Chapter 2165 of the Texas Government Code and administered by the TFC Commercial Parking and Special Events Program.

The TFC Executive Director has the discretion to modify/cancel/reassign any reservation space on state property managed by the TFC.

### TFC TAILGATE POLICIES

The following policies have been created for public safety and the effective administration of the program. The policies are intended to provide guidelines for the proper and respectful use of tailgating space within public view. No lewd acts, misconduct, or nudity will be tolerated on state property. TFC reserves the right to enforce and modify these policies at any time. The TFC Commercial Parking and Special Events Program has the authority to enforce or modify the TFC Football Tailgate Policies.

**The State of Texas, TFC, and its contractors reserve the right to refuse service or sale of spaces to anyone as deemed appropriate.**

At its discretion, TFC may terminate tailgate parties or take other appropriate action toward individuals, groups, or organizations whose conduct is in violation of, or conflicts with, the TFC Football Tailgate Policies. Failure to comply with the directions of TFC, its staff, or its parking contractors may result in immediate removal from state property without a refund and preclusion from further tailgating use.

## RESPONSIBILITIES

Each tailgating group is required to have a designated person who will serve as the Primary Space Holder. This person will be responsible for the oversight of the tailgate space and will ensure all trash is bagged and the tailgate area is clean **during** tailgating and before leaving the property.

The conduct of the tailgating group and their guests is the responsibility of the Primary Space Holder or designated alternates. If damage occurs, the Primary Space Holder may be liable for the cost of repairs.

TFC and its parking contractors are not responsible for lost, stolen or damaged possessions.

## TAILGATE AREA

TFC tailgating is permitted within the area bounded on the north by Martin Luther King Jr. Blvd.; on the east by Trinity Street; on the west by Lavaca Street; on the south by 11th Street; and in the North Complex on state parking lot 26.

## TAILGATE SIZE

Tailgate space sizes vary depending on the location of the space. Parking lot spaces are approximately 8 x 16 feet or as designated. Grass/Ground Areas near or around state buildings also vary in size from 8' x 37' to 36' x 36'.

Some spaces are only suited for compact vehicles or tent/tailgate setup. Contact TFC for questions concerning the size and setup restrictions of a specific space.

A maximum of ten (10) tailgate spaces per person, per event may be purchased. Tailgate set up is limited to the spaces purchased and may not extend beyond the designated area.

Tailgaters utilizing recreational vehicles ("RVs"), buses, trailers, or box trucks shall not exceed the parking spaces purchased.

## TAILGATE TIMES

Tailgate spaces are not available until 6:00 PM on Friday or 6:00 PM on the day before an official UT home game.

Marking of tailgate spaces or set-up of tents is **not** permitted prior to 6:00 PM on Friday or 6:00 PM on the day before an official UT home game. Items found before 6:00 PM will be removed without notice.

State employees utilize parking spaces during the work week and may not vacate a space by 6:00 PM, Friday. Therefore, the availability of any given space may be delayed. If the space is not vacated within a reasonable amount of time, contact the on-site parking attendant or TFC. The towing of any vehicle on state property can only be approved by the TFC.

All items are to be removed from state property no later than noon on Sunday or noon on the day following an official UT home game or at such time designated by the TFC. All state property shall be returned to the same condition it was in prior to the tailgating event.

## TAILGATE SPACE

### RESERVED LOTS

Reserved Lot spaces are reserved and paid for in advance of the current tailgate season. Reserved spaces can be renewed from season to season. TFC has the authority to modify/cancel/reassign spaces. Full payment must be received by the reservation payment due date as listed on the Advanced Reservation Payment Form.

If the Longhorn Football season is cancelled or tailgating in the Capitol Complex is prohibited prior to the first game, then tailgate groups will be issued a refund. If the season is delayed or shortened, all sales are final, and no partial refunds will be issued.

Tailgaters in Reserved Lots may also be assigned TFC authorized Grass/Ground Areas adjacent to their assigned space. Tailgaters may not allow others to set up in these authorized areas.

Prior to use of the spaces and per event, the Primary Space Holder or alternate must present a Photo ID and confirmation order to pick up a parking permit(s) issued by the TFC's parking contractor at the assigned lot. It is the responsibility of the Primary Space Holder or alternate to then distribute the parking permit(s) to their guests. No exceptions will be made.

A parking permit must be displayed at all times. Vehicles will not be permitted to enter the lot without a parking permit.

Parking permits may not be transferred or sold to another user.

The Primary Space Holder is to secure all reserved spaces, per event, by placing a vehicle or other items within their reserved space.

In the event of an additional game added to the schedule via a College Football Playoff game, the Primary Space Holder will receive notice to purchase their space for the additional game. If the Primary Space Holder declines the space, then they will be sold on a first-come, first-served basis for that game only.

## GRASS/GROUND AREAS

Several grass and paved areas known as Grass/Ground Areas are reserved locations at state buildings and are available for tailgating. These areas are reserved and paid for in advance of the tailgate season. Fees are assessed at the rate of .35 cents per square foot.

Reserved Grass/Ground Areas can be renewed from season to season. TFC has the authority to modify/cancel/reassign spaces. Full payment must be received by the reservation payment due date as listed on the Advanced Reservation Payment Form.

If the Longhorn Football season is cancelled or tailgating in the Capitol Complex is prohibited prior to the first game, then tailgate groups will be issued a refund. If the season is delayed or

shortened, all sales are final, and no partial refunds will be issued.

In the event all available spaces are not reserved before the start of the season in a Reserved Lot or Grass/Ground Area, the remaining available spaces may be purchased on game day on a first-come, first-served, basis with no rights for renewal the following season.

## PAYMENT

Payment for spaces on Reserved Lots and Grass/Grounds areas is to be made to TFC's parking contractor:

LAZ Parking  
515 Congress Ave., Suite 2240  
Austin, Texas 78701  
Phone: (512) 316-5718  
[TFCGarages@LAZparking.com](mailto:TFCGarages@LAZparking.com).

***The Advanced Reservation Payment Form must be included with a check/money order payment.***

A copy of the form is included on page 11 and available on TFC's website at <https://web.tfc.texas.gov/public/ut-tailgating>

The Primary Space Holder or their alternate(s) may pick up the Reserved Lot permits at their designated lot, starting at 6:00 PM Friday or at 6:00 PM on the day before an official UT home game. Grass Area permits are not issued; however, the Primary Space Holder or their alternate(s) are responsible for their spaces.

TFC and its parking contractors are not responsible for lost, stolen, or damaged parking and/or tailgating permits.

## SHORT-TERM TAILGATE LOTS

Large groups, corporations, or charity organizations planning a hospitality tailgate can reserve the CSB Front Parking Lot, CSB North Loading Dock, CSB South Loading Dock or WBT Loading Dock (back lots). The hosting group, their staff and guests are subject to all TFC Football Tailgate Policies.

To reserve a Short-Term Tailgate Lot, the Short-Term Reserved Tailgate Space Request Form is accepted starting Monday, May 4, 2026, until all Short-Term Tailgate areas are booked.

Short-Term Tailgate areas are booked from submitted requests beginning Monday, May 4, 2026. For multiple submissions received by TFC at the same time/date, preference will be granted to groups that have previously tailgated at the same location. One form per game must be completed and submitted.

If the Longhorn Football season is cancelled or tailgating in the Capitol Complex is prohibited, then tailgate groups will be issued a refund. If the season or a game is delayed or rescheduled, all sales are final, and no refunds will be issued.

Forms can be downloaded at:  
<https://web.tfc.texas.gov/public/ut-tailgating>.

### UNAVAILABLE AREAS

Certain areas within the Capitol Complex have been designated by the TFC as “Tailgating Prohibited” areas and are denoted by signage in those areas. The Capitol Mall area, from Martin Luther King Jr. Blvd. to 16<sup>th</sup> St., has been designated by SPB as not available for tailgating or tailgate set-up. Tailgating in these areas is not permitted at any time. Violators will be considered as trespassing on state property and subject to enforcement by DPS.

### RESERVATION RENEWAL PERIOD

Due to construction in the Capitol Complex, several previously used tailgate locations are now in a construction zone and have been removed from future tailgate use. The tailgate renewal period begins in June for the 2026 season. Spaces will be assigned as the same space occupied in the previous season or if an area is unavailable for renewal due to construction, then a new location or comparable size will be assigned.

During the renewal period the Primary Space Holder may select interest in moving to another reserved tailgate area. The relocation of a tailgate space will be granted if open space becomes available in the selected location. Relocation of a tailgate will be based on availability, spaces size, and seniority according to your origination date in the Tailgate Reservation System.

Confirmation of assigned tailgate space locations will be sent in July. The Primary Space Holder will

need to accept the spaces by providing payment by the due date.

TFC reserves the right to relocate Primary Space Holders to another lot or Grass/Ground Area with the same/similar number of spaces or size. If any Primary Space Holders are not issued tailgate space(s) due to a lack of availability, then the Primary Space Holders will be placed at the top of the Priority Wait List.

It is the Primary Space Holder’s responsibility to reply to TFC to renew their current spaces/tailgate request, ensure that TFC has their current contact information, and payment is submitted by the reservation payment due date.

If the Primary Space Holder does not renew a reservation for tailgate space or fails to make full payment by the reservation payment due date, then the spaces will become available for other reserved tailgate groups to relocate spaces to available open locations prior to the spaces being offered on a first-come, first-served, basis to individuals on the Priority Wait List.

### TAILGATE PRIORITY WAIT LIST

The Tailgate Priority Wait List provides individuals with the opportunity to sign up to reserve space at Reserved Lots and Grass/Ground Areas.

An individual is placed on the Tailgate Priority Wait List by completing the online registration available on TFC’s website at: [www.tfc.texas.gov/tailgate/](http://www.tfc.texas.gov/tailgate/).

**Reserved Lot spaces and Grass/Ground Areas are sold for the entire season, not individual games.**

If Reserved Lot space or Grass/Ground Areas become available, then reserved tailgate groups will be able to transfer/relocate spaces during the renewal period based on their renewal preferences. If remaining spaces are available, then those spaces will be offered in order of first-come, first-served basis to individuals on the Tailgate Priority Wait List.

Payment for reservations must be received in full by the designated due date or the space(s) will be offered to the next person on the wait list.

If an individual on the wait list declines the offer of any available space, or if full payment is not received by the designated due date, then the individual is removed from the Tailgate Priority Wait List.

Once an individual is removed from the Tailgate Priority Wait List, the individual must re-register for a place on the wait list to be considered for future tailgate space.

## **PARKING**

No vehicle is allowed on state property without paying for/displaying a valid parking permit. No exceptions will be made.

### **OPEN GARAGES / LOTS**

A parking permit will be required for all vehicles entering garages and lots. Each parking permit entitles the permit holder to one parking space per vehicle. A \$25.00 to \$75.00 parking fee will be charged per space for day use. Fees are dependent on the parking location and are subject to change based on fair market value.

The parking permit must be displayed at all times while on state property; depending on the permit issued, they must be hung from the rearview mirror or placed on the dashboard. If the state parking contractor is not issuing parking permits, then pay upon entry is required before parking.

Tailgating set-ups including tents, barbecue equipment, propane tanks, etc. are not permitted in or on the rooftops of state garages.

### **GARAGES E & J**

Large groups and corporate parking can reserve designated parking on upper floors of state garages E and J by reservation. Reserved spaces are sold for the season ONLY, not individual games. Reservations are not renewable from season to season. Tailgaters may utilize the spaces from 6:00 PM Friday to noon Sunday or as designated by TFC. Tailgaters utilizing these spaces will be allowed to enter and leave the garages on multiple occasions. Advance payment is required to the TFC parking contractor prior to the beginning of the football season.

## **STATE EMPLOYEES**

Capitol Complex state employees are encouraged to park their vehicles in closed garages T and W, if they have access to park in these locations. State employees may also register for one free garage parking space in advance by using the link to TFC's parking contractor on the TFC website. Or on game day, the state employee may present a valid State of Texas Employee Photo ID to utilize one free parking space in designated state garages. State employees may not utilize the option of one free parking space to "reserve" spaces for tailgate set up on surface parking lots or in state garages leased to UT.

## **DISABLED PARKING**

Accessible parking is available in designated state parking garages open for public access. There are a limited number of spaces available on a first-come, first-served, basis.

## **TOWING**

Vehicles without a valid parking permit before, during, or after the game will be considered unauthorized vehicles and may be towed from state property at the owner's or operator's expense.

Approval to tow shall be enforced by TFC. Official tow signs are posted and shall be enforced.

## **RESTROOMS**

Public portable toilets are provided throughout the tailgate area, see map on page 10. The Primary Space Holder must ensure that their tailgate group and guests utilize the portable toilets provided.

Urinating in public, on State of Texas facilities, grounds, shrubs, garages, parking lots, or Waller Creek will not be tolerated. Violators will be subject to enforcement by DPS.

## **PORTABLE TOILET RENTAL**

The rental of individual portable toilets for tailgate space is allowed on most lots, however TFC does not provide this service for individual tailgaters.

The rental of a portable toilet must be contained within an individual's tailgate space. Portable toilets may not be delivered until after 6:00 PM on Friday or 6:00 PM on the day before an official UT

home game and must be removed from state property no later than 10:00 AM on Sunday or 10:00 AM on the day after an official UT home game.
